(to US address)

(\$51 value at post-event prices)

### Post-event Pricing:

As illustrated, pre-ordering and pre-paying affords you a significant discount over the prices you would pay by ordering after the event. The online price for four 5x7 prints is \$48 plus shipping, but the pre-order price is \$40 shipped to US addresses. This is also the only way to guarantee that your child is photographed.

To select pre-ordered photos and/or to place an order after the event, go to

**<http://shop.patricktower.com/>**

and complete the online order form.

You will be required to register and log in, but this account can be used throughout the season as we travel to other events.

When you get to the site, you'll make your selections as if placing a post-event order but select "Enter Choices for Pre-Paid Order" as your form of payment.
